

Bilawal Khan

Aspiring .NET Backend Developer

bk2112005@gmail.com | +92 315 5080011 | Islamabad, Pakistan

PROFESSIONAL SUMMARY

Aspiring .NET Backend Developer with hands-on experience in C#, ASP.NET Core, and SQL Server, gained through an internship building CRUD-based data management systems and RESTful APIs. Skilled at translating business requirements into reliable, database-driven backend solutions. Strong problem-solving ability, fast learner, and committed to continuous growth in modern software development practices, backed by prior experience in customer service and cross-functional collaboration.

WORK EXPERIENCE

.NET Backend Developer Intern

Apr 2026 – Jun 2026

IBS Technologies Pvt. Ltd. | Software Department | Islamabad, Pakistan

- Developed backend components for internal software applications using C# and ASP.NET Core
- Implemented full CRUD (Create, Read, Update, Delete) operations for employee data management, connecting application logic to a SQL Server database
- Built and consumed RESTful APIs to fetch and transfer employee data between backend services and client-facing components
- Worked with relational database design to store, retrieve, and manage structured employee records
- Collaborated with the development team on assigned tasks, maintaining professionalism and strict confidentiality of company data and systems throughout the internship

SAP Business One Intern

May 2024 – Aug 2024

Greaves Pakistan Pvt. Ltd. | Islamabad, Pakistan

- Utilized SAP Business One (ERP) to support sales operations and customer service workflows
- Prepared and delivered accurate, detailed customer quotations to support the sales process
- Managed email-based client communications, ensuring timely and professional responses to inquiries
- Collaborated with the team to identify and implement improvements to customer service processes

Call Center Representative

Feb 2022 – May 2023

Trusted Communication | Islamabad, Pakistan

- Resolved a high volume of customer inquiries per shift, delivering efficient and accurate issue resolution
- Built strong communication, active listening, and problem-solving skills through direct, daily customer interaction
- Maintained professionalism and composure under pressure while consistently meeting service quality standards
